10:00 a.m.

Stanislaus Farm Supply Research Farm

On Farm Supply Rd, off Service Rd, 0.6 miles east of Crows Landing Rd.

Lee Jackson, UCCE small grains specialist at UC Davis, will be on hand to discuss the current disease situation on cereals in the state.

What you will see:

- 19 variety small plot trial, includes:
 - ❖ 3 wheats
 - ❖ 3 triticales
 - ❖ 9 oats and
 - ❖ 4 mixes.
- 8 variety strip trial, planted September 29th.
 - ❖ This trial was cut in early March, and some varieties are regrowing.

Hope to see you there,

Marsha Campbell Mathews,
Farm Advisor, Field & Forage Crops
